

laminates all thicknesses up to 2 x 250 mic

easy operation - only 2 keys

very good laminating result

RECOsystems RECO LAM 321

laminator for laminating pouches (A3)

The RECOsystems RECO LAM 321 is a laminator for office use. If you need to protect paper from humidity and dirt or want to give it a more glossy finish - this is the perfect machine for smaller and medium quantities up to a size of A3. The machine has 4 rolls and can laminate pouches with a thickness of up to 2x250 mic. The RECO LAM 321 is easy to operate because it has only two keys. The laminating result is perfect.
